

## Taking a Boat Ride

I went on a boat ride with my MawMaw and PawPaw. We saw egrets, dragonflies, lots of lily pads and cypress trees. I couldn't put my hands in the water, because I had to watch out for alligators! We didn't disturb any animals. PawPaw drove the boat to a store, and my little sister and I got to pick out a snack. We ate in the boat, and then we put our trash in a bag to throw away when we got home. I enjoyed riding in the boat on the bayou! It is important to take care of the bayou and leave it nice and clean.
